

## What does art mean to me?

Art means creativity, fun, imagination, and being wild. Art is anything you want it to be. It can be sad, funny, silly or scary. Drawing is one of my favorite forms of art. It's fun to splat, dot, make stripes or even scribble. I love colors because they just stand out and make me happy. You can make a portrait of yourself, a landscape picture, or my favorite, a sunset over the ocean. It's all art. There is no right or wrong drawing because it is only what you feel in your mind and heart. If we didn't have artists, this world would be blank. I bet you didn't think of it but you actually live in art. It is my favorite thing to see and do. I want it to always be part of my life and to share it with others and make them happy. I am thankful that the Gallo Center for the Arts also feels that this is important.

Student name: Rachael Hunt

Grade: 5<sup>th</sup>

School: Our Lady of Fatima

Principal name: Mrs. Partlow

Teacher name: Ms. Filson

Teacher phone number: 524-4170(Our Lady of Fatima)

Teacher email address: missfilson5@yahoo.com
